

LAUNDRY INFORMATION FOR YOUR WEB SITE

[LaundryView® Makes Laundry More Convenient](#)

[LaundryView](#) allows you to check the status of machines in your laundry room online without ever setting foot outside your dorm room. And the LaundryView® Text Alerts feature lets you ask the machine for a text message when your cycle is complete. Together they make doing laundry a breeze. www.laundryview.com

[Need Laundry Help? The Campus Clothes Line™ has the answers](#)

Do you have a stubborn stain, need a refresher or a complete laundry education? Check out [The Campus Clothes Line™](#), a new interactive resource for all things laundry - including: laundry instructions & advice, stain tips, videos, prizes and more!

[Easy Service Reporting: LaundryLinx™ & Customer Care Center](#)

If a machine isn't working properly, log on to [LaundryLinx](#), and select the problem from a few simple drop-down menus. This, in conjunction with Mac-Gray's auto-dispatch technology, provides a direct link to your campus service technician so the problem can be addressed quickly. Or, if you would rather speak to someone, call 1-800-MAC-GRAY (800-622-4729) for friendly customer service from one of our specially-trained Customer Care Representatives. www.macgray.com/laundrylinx
